

Welcome to Q spa.

There's nothing quite like it. Located inside Mercedes-Benz Burlington's spectacular setting, Q spa is designed to cater to your every need. Because we believe every client is unique, we accompany all our services with a client consultation - a moment set aside to get to know you as an individual with one-of-a-kind needs. Only then do we make specific recommendations using our exclusive lines Valmont, MoroccanOil and Jane Iredale. Our goal is to provide the most relaxing, enjoyable experience possible. Let your Q spa journey begin...
